Esher Rugby 500 Club - Lighting the Way

2014/15 Project – additional portable lighting for training, matches and events.

This will be the third year of this project. With another £5,000 being raised this season we will have sufficient equipment to light a whole pitch, giving us flexibility over training areas and also enabling better training in the dark days of winter. Let's finish this key project in style this season!

Buy between 1 and 10 tickets at £1 each per month, each month 50% of the proceeds go to the prize pot, 50% goes to the Lighting Project. 3 winners every month of the year and a bonus Christmas prize!

We raised over £9,000 in the last two years and we need another £5,000 this season. This means we need 1,000 tickets purchased each month. We already have over 700 tickets sold per month so the first prize is at least £175!

Please return your completed form to Martin Felstead in the Office or to Nigel Scott on Match Days.

**Rhino Link Tower Floodlight system*,
powered from mains or from a single
generator. Up to four LinkTowers can be
linked together and powered from a single
power source, lighting an area 80m x 60m.**

*As an example of what we can purchase.
