

Esher Minis Showpiece Half Time Match

As well as being proud to welcome Clifton Rugby Club this Saturday 30th October, we are delighted to entertain the crowd by showcasing the skills of our budding young rugby players during a Half Time Special in front of the Main Stand.

Today our Under 10's will launch the first of these events with a Showpiece Game as soon as the 1st Teams are off for a well-earned break. The kids will put on a display of dynamic and fast paced Minis Rugby, under RFU Regulation 15 rules appropriate for this age group – this means tackling with no mauls, rucks, or line-outs.

At Esher RFC we pride ourselves in having a vibrant and growing Junior and Minis Section. Our young players train every Sunday and take part in festivals for the Minis, with home and away fixtures for the Juniors. The Minis host over 170 children during their home training sessions, and we would welcome many more. Take a look at what the kids are capable of in this exciting game today, and feel free to contact our experienced and qualified Coaching Team - then bring your aspiring stars of the future down to enjoy taster sessions.

Today's game will be played on a pitch 60m by 28m with Touch along the Halfway and 22m lines . For the Under 10's tackling and contact was introduced last season, they have been working on their skills and you will see some fantastic efforts in defence today. In attack we are aiming to move the ball quickly looking for individuals to identify space and exploit opportunities.

Your Teams today are Esher Blue and Esher Black. The full squad is **Zaid Belhaj, Archie Labuschagne, Ethan Majid, Zach Sanderson, Oscar Lavender, Rhys Jewell, Ayoub Potut, Oscar Niculescu, Tom Doolan, Henry Warden, Neal Khanna, Theo Anderson, Ava Brown and Elliot Phillips**. Please enjoy the match and show your appreciation for this energetic and exciting young group of players.
