

# Launch of **BRAND NEW** Lion Tattoo Pro Team Match Kit for Esher Rugby amateur teams

Esher Rugby are delighted to announce, for the first time in many years, the launch of a smart new contemporary kit for the coming season. This has been a collaboration between Junior Rugby management, The Esher office and our partner Ram Rugby

We have chosen a Pro Fit rugby shirt for all age-groups which features a tattoo of the Esher Lion on the chest along with the Pro Rugby Shorts and a new sock design

The Pro Fit shirt is super strong made from neoTech material which ensures a tight body-contoured fit without compromising freedom of movement

These are now in production and are available to order from the Esher Rugby online shop [www.shop.esherrugbyclub.com](http://www.shop.esherrugbyclub.com)
